

Would you like to support the College and possibly win a cash prize at the same time? If so, please join our 100 Club.

What is it?

You buy a number for £5 per quarter and your number is entered into our quarterly draw.

Prizes?

50% of the takings is given back as 9 quarterly prizes (3 main prizes and 6 runners up prizes). The amounts fluctuate as membership fluctuates.

How do the children benefit?

Budgets are always tight not least in Education. With your help, the College can buy much needed extra equipment which helps to enhance the children's education. **PLEASE TAKE PART.** This is an easy way in which everyone can be involved in supporting the College, especially if you are unable to attend fundraising events as often as you would wish.

Who can join?

Anyone can join so please invite grandparents, friends, and neighbours.

How do I pay?

Simple - £5 per quarter by Standing Order. You will never be hassled for renewal subscriptions. If you decide that you no longer want to be in the 100 Club, you simply contact your bank and tell them to stop payments.

Can I pay by cheque?

For ease of administration, Standing Orders are much preferred but if you really object you can pay £20 at the beginning of the school year by cheque made payable to 'Southam College PTA 100 Club'.

Can I start part way through the year?

Yes. Just send in cheque/standing order form suitably amended (Your first payment is due on the 1st day of the next quarter, the payment schedule is: **1st October, 1st January, 1st April, 1st July**). Please do not make your payment dates any other dates as it affects the draw.

What next?

Please complete the form below, put it in an envelope marked '100 Club' and send it in to the College or hand in to the Student Office. **If you wish to enter the first draw; please make sure all forms are returned as early as possible but no later than 16th September.** Thank you in anticipation.

Need more info? Contact Richard Lapraik (Treasurer) on 07738 035667 or email: richard@lapraik.co.uk
