STUDENT REMINDERS

- **Remember the moderator is here to check our scores are correct.**
- Please can you remember you are representing the school. Make sure you are on time, you behave brilliantly, you bring the correct school kit (no jewellery), you give 100% effort, you support each other and you follow the exam protocol.
- You will be registered at the start of all exams.
- Please make sure you still turn up to all your exams even if you are injured or anxious etc.
- You must attend lessons as normal if you are not scheduled to be in a practical exam.
- You will be videoed on moderation day by the year 10 students supporting. This has to be sent to the exam board if we want to question any changes to your final scores.
- Please arrive 15min before the start of your exam.
- Please change in the old sports hall, but there are year 8 exams P1 & 3 on moderation day, so we will need to be quiet.
- Please make sure you hand in all valuables to the teacher leading your exam. The changing rooms will be opened early for the students who are in the next exam.
- Staff will go through all the drills on mock moderation day so you know what skills/techniques/tactics you should be demonstrating without being prompted. Make sure you help and support each other on the day.
- We can use the mock moderation day to raise the standard of performance & coach, but we cannot do this on the external moderation day.
- The teacher can be involved in the practical session if this is appropriate and raise the level of performance e.g. feeding the ball
- Remember you might be involved in the practical moderation to make up the numbers or to raise the standard of performance. The students highlighted RED are those being moderated.
- All those being moderated will play a set position or wear a specific bib number so they can be identified by the external moderator.
